## **List of translations available by language – validated modules and C30**

### **Table legend:**

In this table the language identifier consists of a language code (ISO 639 tags) and (in cases where a language is spoken in more than one country) it is followed by a country code (ISO 3166 sub tag).

\* As the QLQ-C15-PAL is an abbreviated version of the QLQ-C30, translations of the QLQ-C15-PAL are available for all languages where QLQ-C30 translations have been made. Please contact the QL Department if you need the QLQ-C15-PAL in one of these translations.
